

Pet Insurance

The dog days of summer are upon us, and that means it's important to hydrate and watch for heat-related illnesses. We may know how to beat the summer heat, but our pets count on us to care for them. Keep them out of hot cars and give them plenty of water, shade, and fresh air to stay healthy.

Whether you're on two legs or four, the Colorado College Alumni Association's Alumni Insurance Program offers protection for the *entire* family! Discounted coverage for pets is available through Petplan, the No.1 rated pet insurance provider in America. For more information and a free quote, visit www.meyerandassoc.com/ma/coloradocollege.
